About the Art of Seeing

How do you see the world around you? Do you often see what others miss or are you inclined to miss what others see? You are not alone if the art of seeing has escaped you! As is often the case, most photographers have no idea how to interpret the world around them. Trying to get it all into a single frame is part of the problem.

The Art of Seeing | Online Photography School

The art of seeing can be broken up into four parts. First, we have to see our own seeing—that is, see how we see the world, recognizing our own taken-for-granted assumptions, and be able to set them aside.

The Art Of Seeing | Art of Being Human

Quotes from The Art of Seeing... "Most events in consciousness are built from culturally defined contents as well as from personal meanings developed throughout an individual's life. Thus, two persons can never be expected to have the same experience, and the farther apart in time and place they are, the more the details of the two experiences will differ." — 0 likes
